PREDICTS ONE FLAG FOR WESTERN WORLD

Democratic Speaker Says Nations of
Hemisphere Soon Will Unite.

"The United States of the World" will
be the same for this country when world
peace is established.

Rev. Marion Nelson Dalwitz, of Arkan-
sas, speaking before the Women's Wilson
Union at Fifteenth street last night, pre-
dicted that there will be only one flag
and one nation on the Western Hemi-
sphere when the world war has ended.

"Mexico will be annexed to the United
States; Canada will be a part of our
country, and South America will come
under the American domain," said Dr.
Dalwitz.

"There is no room on this continent for
two nations any more than there is one
house big enough to hold two families,"
he said.

"For perpetual peace we must have in-
ternal harmony, and we can't have this
when we have representatives of all coun-
tries on our continent," he continued.

In advocating the re-election of Presi-
dent Wilson he said that it was history
to every student of government that the
President ranked with Washington,
Jefferson, Lincoln and Cleveland as one
of the great executives whom God has
raised to meet every crisis that has
arisen in American history.

WEATHER CONDITIONS.

District of Columbia—Fair, somewhat warmer
Wednesday and probably Thursday; gentle north-
east to southeast winds.

Maryland—Fair, somewhat warmer Wednesday;
Thursday, fair, somewhat warmer; gentle
north-east to southeast winds.

NINTH STREET STORE WITHSTANDS PRESSURE

Continues Selling Suits and Overcoats
at \$10.00.

Despite the tremendous selling necessitated by the enormous demands made upon them, Friedlander Bros. still have a wonderfully large and varied stock of classy fall suits and overcoats, in all sizes, to sell at the record-smashing price of \$10. Crowds have been coming to this well-known Ninth street store. In many instances men have walked in with an incredulous smile, thinking that such amazing values simply could not be offered, and that there was some string to the offer. They were simply astounded at the genuineness of the offer and bought. Shrewd buyers are quick to appreciate the tremendous values being offered, and they are snapping up these smart fall and winter garments while the stock permits of an unlimited choice.

For a \$10 bill a man can select from an assortment of classy new models in suits or overcoats. Pinch-back, swag-back, form-fitting and other late effects, as well as a wide selection of conservative models, are included. Such shades as full greens, blues, browns, and soft novelty plaids in every fabric, are to be found among them.

For the man who wants to pay a little more for his suit or overcoat, choice of garments that cannot be duplicated elsewhere for less than \$15, is being offered at \$12.50, while still better suits and overcoats that sold up to \$22, are marked at \$15 during the life of this sale.

Not content with these record-breaking values, Friedlander's have another appeal on trousers that is creating an unusual run. The fabrics include serges, chevrons, and worsteds in hundreds of attractive patterns and shades, making it a simple matter to match almost any odd coat. To afford a convenient selection the stock has been divided into four lots and priced at the following figures: \$1.95, \$2.48, \$3.15 and \$3.95.

These are but a few of the big bargains that await the thrifty buyer. The man of foresight will make it a point to go to Friedlander Brothers, 428 Ninth street northwest, right away and make his selection.—Adv.

500 Pairs Men's GENUINE Tan Calf "Army" Laced Shoes--In a Big Drive

At \$3.85

Actually worth \$6 Today!

UNCLE Sam did it. There's
United States history back of
this big opportunity offered you men
today.

For years we had been supplying
Uncle Sam's army boys at the nearby
army posts with a regulation tan
calf army shoe for service as well as
dress wear.

These shoes were made accord-
ing to strict army regulations—
GENUINE Tan Calfskin uppers—full
roomy toes—GENUINE Oak soles
and heels. You know Uncle Sam is
mighty particular about his shoes!

Then the Mexican trouble came.
The troops were called away to the
border and the army prescribed a
different shoe for campaign uses.

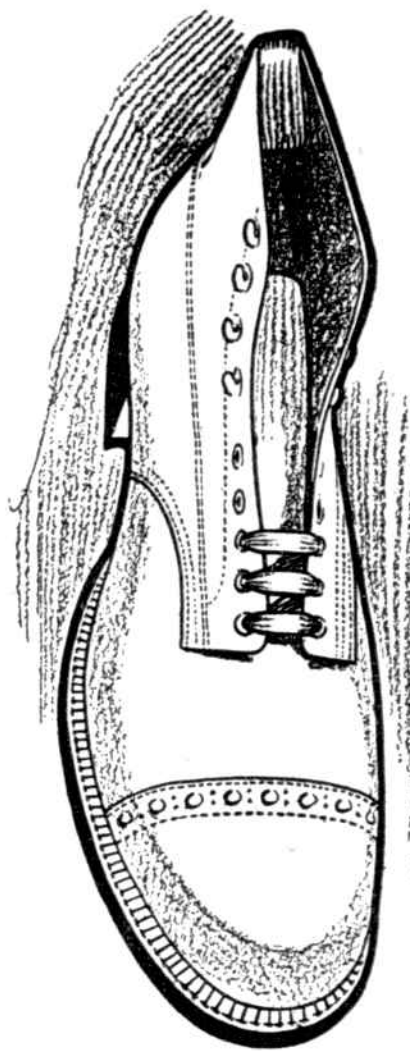

This left us with 500 clean, fresh
pairs of these shoes on hand—shoes
which we couldn't possibly buy in
the open market today and retail
at less than \$6 the pair.

But We Offer Them to You Men
of Washington at only \$3.85 a pair!

Two good shapes. Not young
men's snappy styles—but plain,
practical shoes that will "stand the
gaff" for every-day winter wear.
Just the shoes for a letter carrier—
or any other man who spends many
hours on his feet out of doors.

They will give you lots of com-
fort—and the BEST SERVICE you
ever got out of any shoe.

And with shoes at the highest
level ever before known—we offer
them, starting today, AT ONLY
\$3.85 PAIR.

Tan Russia Calf—full oak soles
—choice of medium or full toe
blucher styles—all sizes, 5 to 10;
C, D and E widths—AT \$3.85
PAIR.

"Foot Comfort" Service for Troubled Feet

WOULD IMPROVE PARKS.

The meeting of the public parks com-
mittee of the Board of Trade yesterday
was devoted to preparation of the annual
report, which recommends definite im-
provements for parks and playgrounds
already made public.
The improvement of Rock Creek Park,

development of the Parkway, ferry ser-
vice to East Potomac Park, improvement
of Piney Branch Valley, and development
of the water front from an artistic stand-
point, are some of the main betterments
suggested.

Wind and Boys Get \$220.

New York, Oct. 24.—A fire yesterday
morning on the third floor of a tenement
house drove ten families to the street
by way of the fire escape, including Mrs.
Elizabeth Fitzsimmons, who lived on the
fifth floor.

As Mrs. Fitzsimmons started down the
escape, which is outside the building, she
carried \$220 in her hand, in \$1, \$2 and \$5

bills. Then came strong gusts of wind,
which whisked the money from her hand.
Small boys in the neighborhood gathered
to watch the blaze, found unexpected en-
joyment. They and others seized the
money and disappeared.

Through the advance of the ocean
on its shores, Great Britain loses each
year an area equal to that of Gib-
ralter.
